EDUCATION

University of Applied Sciences for Health (HSG), Bochum, Germany — Since 09/2017
BSc Diversity and Health
The programme provides the theoretical and the practical competencies to promote the inclusion of vulnerable groups in health systems and interventions. It focusses on supporting those with diversity characteristics, through health promotion and consultation services.

Ottilie-Schoenwald Adult Education Centre, Bochum — 09/2014-07/2017
A-levels ('Abitur')
Went back to school after becoming a nurse to gain 'General University Entrance'

Martin-Luther-Hospital & Nursing School, Bochum — 10/2010-08/2013
Registered Nurse ('Gesundheits- und Krankenpflegerin')
Completed three of years of clinical training, which included several placements in various areas of healthcare, ranging from psychiatric wards to ambulant nursing.

EXPERIENCE

Mencap and Gateway, Sheffield
Placement — 03/2019
Supported people with learning disabilities, e.g. supervised sport activities, helped to organise group visits to the library and worked in small groups to provide health

Mother-Child House, Bochum — 05/2018
Placement
Helped to provide social support for ten teenage mothers and mothers with drug addictions and their children. Led group activities, such as communal cooking and basic household work, and taught skills like living on a budget and tracking expenditures.

Socio-psychiatric service, Bochum — 10/2017
Placement
Worked in an interdisciplinary team of social workers and medical professionals to provide care to vulnerable people in difficult situations. Helped to organise a Christmas event and hosted craft groups for homeless adults and people with psychiatric disorders.

International experience — 09/2013–04/2014
Cross-cultural exchange and working and volunteering experience in the areas of community work and ecological farming in France, Spain, and Portugal.
